(5) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows: (i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

**§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?**

(a) *Child Care.* Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) *Need.* A participant is considered to need child care in order to participate in the program if he or she: (i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State's median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian,

which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child care allowance will be determined by the Corporation based on payment rates for the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *Corporation share.* The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *Corporation share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation will pay up to 85% of the cost of health care coverage

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

### **Subpart C—Application Requirements**

#### **§ 2522.300 What are the application requirements for AmeriCorps program grants?**

All eligible applicants seeking AmeriCorps program grants must—

(b) Comply with any additional requirements as specified by the Corporation in the application package.

#### **§ 2522.310 What are the application requirements for AmeriCorps educational awards only?**

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

## **45 CFR Ch. XXV (10–1–02 Edition)**

#### **§ 2522.320 May an applicant submit more than one application to the Corporation for the same project at the same time?**

No. The Corporation will reject an application for a project if an application for funding or educational awards for the same project is already pending before the Corporation.

### **Subpart D—Selection of AmeriCorps Programs**

#### **§ 2522.400 How will the basic selection criteria be applied?**

From among the eligible programs that meet the minimum program requirements and that have submitted applications to the Corporation, the Corporation must select the best ones to receive funding. Although there is a wide range of factors that must be taken into account during the selection process, there are certain fundamental selection criteria that apply to all programs in each grant competition, regardless of whether they receive funding or educational awards directly or through subgrants. States and other subgranting applicants are required to use these criteria during the competitive selection of subgrantees. The Corporation may adjust the relative weight given to each criterion. (Additional and more specific criteria will be published in the applications).

#### **§ 2522.410 What are the basic selection criteria for AmeriCorps programs?**

The Corporation will consider how well the program will be able to achieve the three impacts mentioned in paragraph (a) of this section as demonstrated by the program design, the capacity of the organization to carry it out and other factors relating to need. The Corporation will also consider the extent to which the program promotes the Corporation's goals; and the extent to which the program contributes to the overall diversity of programs desired by the Corporation. These criteria are discussed in this section. Additional detail relating to these criteria may be published in any notice of availability of funding.

(a) *Program impacts.* The Corporation will consider the extent to which the
